Convenciones generales

Los pentagramas se encuentran numerados como I, II, III y IV siendo I, II y IV de instrumentación libre. El pentagrama III corresponde al único instrumento prescrito, a saber: piano.

En la ejecución podrán usarse desde dúo de voz o instrumento melódico con piano hasta cuarteto con piano y percusión de altura no puntual del mismo tipo (wood-blocks, temple blocks, cencerros entre otros). En caso de decidir no usar percusión la parte puede ser ejecutada por el pianista en cuatro zonas distintas de la madera del piano.

Los instrumentistas deberán asimismo decidir los modos de ejecución (frullato, armónicos, pizzicatto, eólico etc.)

Es posible toda modificación de octava de las alturas escritas. No así a otros intervalos.
